## **PREFACE**

**HERE YOU HAVE TO WRITE SOMETHING ABOUT YOUR PROJECT**

The preface is **about describing what the context of the project is**, all in general lines. You need to tell the readers what is the main idea behind the project work. While describing make sure you do not reveal too much about the project.

### **EXAMPLE OF TOURS & TRAVELS WEBSITE:-**

From my site you will get a chance to get many places to return. You will find good services and good places to visit, sometimes you can benefit from a discounted.

During the tour you will be able to stay at your hotel and arrange for food our staff will provide you and your members with respect. There will be no trouble for the tourists who come back to you.

Two doctors also will be relived to ensure that there is no problem with the tourist who are touring, they will be very careful about your goods. Our tourist teams always stand up for your safety as much as you can and will try to give you a favorable feeling.

During the journey, if any other place will go along the way and if you get the time, you will get the benefit of that which is selected for the place and the ticket will be given and any other charge will not be charged.

## **ACKNOWLEDGEMENT**

***HERE YOU HAVE TO THANKS EVERY ONE WHO HELPS YOU IN YOUR PROJECT GUIDE, LAB STAFF, LECTURERS, HOD, COLLEGE, FRIENDS ETC....***

**Acknowledgement in project writing is a section where the write acknowledges and show appreciation to everyone who has helped in the project.**

### **EXAMPLE OF TOURS & TRAVELS WEBSITE:-**

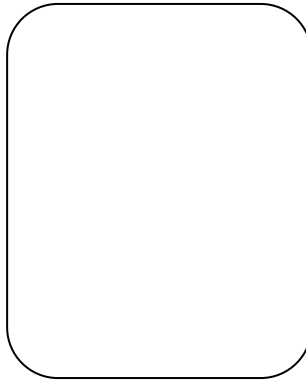

Many people have contributed to make this project a reality, and I would like to thank them all. I guess I should start with the our principal who has encouraged us to do project with our best efforts.

I express my sincere gratitude jignesh thanki (Project Guide) for his timely help and guidance at every stage of execution and development of the project. He always encouraged us. Whenever we have any kind of problem, he paid attention to them.

My special thanks to our college staff who is very much co-operative & helpful throughout the LAB session. Without their co-operation project would not be successful. They taught us on how project can be better and successful.

At last I express my warm feeling of thanks to all those who were sources of inspiration & were directly or indirectly involved with the project work.
